## TECHNOLOGY MUSEUM

**Ancient Greek technology:** A unique exhibition refers to the prehistoric period, till the Hellenistic and Byzantine period. The exhibition features more than 70 exact replicas of machines that have marked people's lives and set the cultural context, as well.

**Transportation technology:** This part of the museum features car models that marked the history of automobile. The exhibition consists of 5 main thematic areas, based on 5 top car models of the 20th century: mass production, city and environment, technological advances, design and society and speed.

**Techno-park:** An interactive exhibition, where you will actively participate and learn while having fun. It includes 50 exhibits, concerning a variety of scientific topics, like electricity, magnetism, vision, mechanics, etc.

### “IDEA” TEMPORARY EXHIBITION

**Temporary exhibition** about the advancement of Greek thought which created many scientific fields, while at the same time attained plenty of technical and technological achievements..

### “NIKOLA TESLA” TEMPORARY EXHIBITION

**“Nikola Tesla” temporary exhibition** outlines the genius scientific and technological achievements, as well as, Nikola Tesla's complex personality. The exhibition is organized in cooperation with the “Nikola Tesla Museum” in Belgrade.

### PLANETARIUM (for adults and children 5 and older)

**The Zula Patrol - Down to Earth:** Learn about the formation and development of Planet Earth, and the life forms who call it home. A cartoon suitable for younger children. **Duration: 25'**

**From Earth to the Universe:** This stunning voyage through space and time conveys the Universe revealed to us by science. **Duration: 35'**

**Oasis in space:** A journey of searching life in the Solar System. **Duration: 25'**

**Astronomyths:** Discover the magic of the night sky, through the myths hidden in the stars. **Duration: 25'**

### COSMOTHEATER (for adults and children 5 and older)

**Dinosaurs – The Giants of Patagonia (3D):** Dinosaurs come to life before our eyes, on the gigantic screen of the Cosmotheater. **Duration: 40'**

### SIMULATOR (for adults and children 7 and older, at least 1.20m tall)

**Magic Carpet (3D):** Let the Genie guide you through a ride full of mystery. **Duration: 5'**

**Aquaride (3D):** A fantastic, underwater ride, where you discover the secrets hidden in the sea. **Duration: 5'**

All movies are in Greek. Headphones with narration in English are available.

NOESIS schedule is subject to change.
