TECHNOLOGY MUSEUM

Ancient Greek technology: A unique exhibition refers to the prehistoric period, till the Hellenistic and Byzantine period. The exhibition features more than 70 exact replicas of machines that have marked people's lives and set the cultural context, as well.

Transportation technology: This part of the museum features car models that marked the history of automobile. The exhibition consists of 5 main thematic areas, based on 5 top car models of the 20th century: mass production, city and environment, technological advances, design and society and speed.

Techno-park: An interactive exhibition, where you will actively participate and learn while having fun. It includes 50 exhibits, concerning a variety of scientific topics, like electricity, magnetism, vision, mechanics, etc.

PLANETARIUM (for adults and children 5 and older)

From Earth to the Universe: This stunning voyage through space and time conveys the Universe revealed to us by science. **Duration: 35'**

The Zula Patrol 2- Down to Earth: Learn about the formation and development of Planet Earth, and the life forms who call it home. A cartoon suitable for younger children. **Duration: 25'**

Two small pieces of glass: The show explores the evolution of telescope technology from Galileo's experiments to the Hubble Space Telescope and beyond. **Duration: 25'**

The Zula Patrol – Under the Weather: Learn about the weather on earth and other planets. A cartoon suitable for younger children. **Duration: 25'**

COSMOTHEATER (for adults and children 5 and older)

Dream Big (3D): The movie celebrates the human ingenuity behind engineering marvels big and small, and reveals the heart that drives engineers to create better lives for people around the world. **Duration: 40'**

Dinosaurs – The Giants of Patagonia (3D): Dinosaurs come to life before our eyes, on the gigantic screen of the Cosmotheater. **Duration: 40'**

SIMULATOR (for adults and children 7 and older, at least 1.20m tall)

Moon Thunder (3D): Join our astronaut crew in this thrilling escape from the collapsing surroundings of the moon base. Will you reach the escape pod in time? **Duration: 5'**

Catacombs (3D): Paris 1850. On a rainy night you find shelter into its dark Catacombs. Find out if you can keep your cool in this thrilling experience. **Duration: 5'**

All movies are in Greek. Headphones with narration in English are available.

NOESIS schedule is subject to change.
